

RECIPROCAL RESIDENCY

Studio-apartment residency at La Chartreuse de Villeneuve lez Avignon

FRANCE ◀▶ QUÉBEC

In 2017, the Conseil des arts et des lettres du Québec (Conseil) concluded a reciprocity agreement with La Chartreuse de Villeneuve lez Avignon – France (La Chartreuse) aimed at setting up an artist and studio-apartment residency exchange program between Québec and France, in the discipline of theatre intended for children’s and youth audiences (drama writers).

Through this agreement, the Conseil wants to promote the cultivation of durable bonds between dramatic authors from Québec and from France, while contributing to their literary development and the dissemination of their works. In the context of this exchange, a dramatic author from Québec writing for the children’s-youth audience can reside at La Chartreuse. In return, a French dramatic author writing for the children’s-youth audience will be hosted in Québec, in Montréal, by the Centre international de recherche et de création en théâtre pour l’enfance et la jeunesse, Le Cube (Le Cube), for a writing residency of equal duration.
